Re: Public Records Request re: 50 Robert Milligan Parkway

Dear Attorney Matteson:

This is a public records request to the Office of the Governor (“the Office”) pursuant to Part I, Article 8 of the New Hampshire Constitution by the American Civil Liberties Union of New Hampshire (“ACLU-NH”). The ACLU-NH defends and promotes the fundamental principles embodied in the Bill of Rights and the U.S. and New Hampshire Constitutions. In furtherance of that mission, the ACLU-NH regularly conducts research into government activities in New Hampshire. We ask that your Office waive fees associated with responding to this request. Please contact me to discuss the fee waiver in advance of preparing any copies.

Below is the specific request:

1. From December 1, 2025 to the present, all written communications between (i) the Office of the Governor and (ii) the U.S. Department of Homeland Security (“DHS”)—including U.S. Immigration and Customs Enforcement (“ICE”)—or any contractor concerning the planning/development of the property located at 50 Robert Milligan Parkway, Merrimack NH 03054, including any “economic impact summary” that may have been provided by DHS or ICE.¹ This request does *not* request internal communications within the Office, nor communications between the Office and any state agencies/state officials.

Thank you for your anticipated cooperation. I look forward to hearing from you as soon as possible. Of course, if you have any questions or concerns, do not hesitate to contact me.

Very truly yours,

/s/ *Gilles Bissonnette*
