**Re: Right-to-Know Request Regarding Enforcement of Criminal Defamation Statute  
(RSA 644:11)**

Dear Chief Lavoie:

This is a Right-to-Know request to the Hudson Police Department pursuant to RSA 91-A and Part I, Article 8 of the New Hampshire Constitution by the American Civil Liberties Union of New Hampshire (“ACLU-NH”). The ACLU-NH defends and promotes the fundamental principles embodied in the Bill of Rights and the U.S. and New Hampshire Constitutions. In furtherance of that mission, the ACLU-NH regularly conducts research into government activities in New Hampshire. We ask that your Department waive all fees associated with responding to this request. Please contact me to discuss the fee waiver in advance of preparing any copies.

Below are the specific requests:

1. Copies of all internal regulations, guidelines, training materials, standards, and policies published, applied, or otherwise utilized by your Department, if any, concerning the implementation, interpretation, and enforcement of RSA 644:11.
2. The complete file consisting of all public documents in the following cases brought by your Department: *State v. Robert Frese*, No. 459-2012-CR-03121 (9th Circuit-District Division-Nashua, filed May 22, 2012); *State v. Mary Norton*, No. 459-2017-CR-04474 (9th Circuit-District Division-Nashua, filed October 6, 2017). This request includes the charging documents and police reports identifying the criminal defamation allegations in each case.

In responding to this request, please consider the time limits mandated by the Right-to-Know law. In discussing those limits in *ATV Watch v. N.H. Dep’t of Res. & Econ. Dev.*, 155 N.H. 434 (2007), the New Hampshire Supreme Court has stated that RSA 91-A:4, IV requires that a public body or agency, “within 5 business days of the request, make such records

available, deny the request in writing with reasons, or to furnish written acknowledgement of the receipt of the request and a statement of the time reasonably necessary to determine whether the request shall be granted or denied.” *Id.* at 440.

If produced, these records must be produced irrespective of their storage format; that is, they must be produced whether they are kept in tangible (hard copy) form or in an electronically-stored format, including but not limited to e-mail communications. If any records are withheld, or any portion redacted, please specify the specific reasons and statutory exemption relied upon. *See* RSA 91-A:4, IV (official must “make such record available” or “deny the request in writing with reasons”) (emphasis added).

Thank you for your anticipated cooperation. I look forward to hearing from you as soon as possible. Of course, if you have any questions or concerns, do not hesitate to contact me.

Very truly yours,

Gilles Bissonnette

## Supporting Affidavit

## Harassment and Criminal Defamation of Character

1. That, I am a full time Police Officer for the Town of Hudson, New Hampshire. I have been employed since December of 2010. I am a graduate of the 154th New Hampshire Police Academy. I am also a 2009 Graduate of Hesser College with an Associates Degree in Interior Design.
2. That, a person is guilty of Harassment and subject to prosecution where the communication was received if such person insults, taunts, or challenges another in a manner likely to provoke a violent or disorderly response.
3. That, a person is guilty of Criminal Defamation of Character if he purposely communicates to any person, orally or in writing, any information which he knows to be false and knows will tend to expose any other living person to public hatred, contempt or ridicule.
4. That, on April 30, 2012 I met with Michael Robillard. He explained to me that he runs a Life Coach business out of Londonderry to which he has a certification to do so and has been trying to promote said business via Craigslist, a public online internet forum.
5. That, shortly after Michael Robillard started posting advertisements for his business, a person, who was later found to be Robert Frese, [REDACTED] started attacking Michael Robillards character and the legitimacy of his business via Craigslist. Robert Frese, [REDACTED] is described as being 5'8", weighing 150lbs and having brown hair and brown eyes accoring to his Interstate Identification Index.
6. That, over thirty postings between 02/26/2012 and 05/02/2012 were posted on Craigslist, a public internet forum, by Robert Frese, [REDACTED] about Mike Robillard. Robert Frese, [REDACTED] was calling Mike Robillard a scam artist and claiming his business to be a scam, asking the general public if they had been molested, harassed or bothered by Mike Robillard, and claiming that Mike Robillard distributed heroine in 2009 and was charged with willful concealment in 2011, which is false information.
7. That, over the course of this time since 02/26/2012, Mike Robillard has contacted Robert Frese, [REDACTED] via e-mail asking Robert Frese, [REDACTED] to stop and explaining to Robert Frese, [REDACTED] that Mike Robillard's business is legitimate and if it continued he would contact the police.
8. That, on 04/25/2012 I requested Exeter NH Police Department to go to Robert Frese's, [REDACTED] house and ask him to stop posting illegitimate information about Mike Robillard on Craigslist.
9. That, on 05/02/2012, after Mike Robillard came to the Hudson NH Police Station again with more copies of

Ref: 12-433-AR

postings, I called Robert Frese, [REDACTED] and spoke with him directly. Robert Frese, [REDACTED] admitted to posting the information he knew was false online about Mike Robillard and his business via Craigslist and said even though he knew Mike Robillard was certified, he was trying to make people aware of scams.

10. That, on 05/02/2012 after the time at which I spoke with Robert Frese, [REDACTED] he continued to put at least three more negative posts containing false information regarding Mike Robillard and his Life Coach business on Craigslist.

11. That, based on these facts and others known to me I am requesting an arrest warrant/complaint charging Robert Frese, [REDACTED] with Harassment, a class A Misdemeanor and Criminal Defamation of Character, a class B Misdemeanor.

On May 8, 2012 at approximately 1645 hours:

**Robert Frese**

**D.O.B:** [REDACTED]

arrived at the Hudson Police Department to turn himself in regarding an active warrant issued by the Hudson Police Department for the crimes of Harrassment and Criminal Defamation of Character.

At approximately 1650 hours I advised FRESE that he was under arrest and I searched him. I took his black wallet, \$1,200.00 dollars US currency, belt, car keys and boots into my possession and placed him into the booking cell. I booked FRESE according to HPD policy and procedure. FRESE did not have any questions regarding the booking process or questions regarding the case.

FRESE was bailed by bail commissioner Nelson Gerow. FRESE posted bail; however, his parol/probation officer contacted HPD and asked that we transfer FRESE to Valley St. Jail in Manchester to be held on a 72 hour detainer. I transferred FRESE to Valley St. Jail regarding said detainer. His car keys were placed in dispatch with a note attached regarding FRESE arrest.

FRESE vehicle is NH [REDACTED] and is secured in the front parking lot of HPD.

I had no further contact with FRESE regarding this arrest.

## Supporting Affidavit

## Harassment and Criminal Defamation of Character

1. That, I am a full time Police Officer for the Town of Hudson, New Hampshire. I have been employed since December of 2010. I am a graduate of the 154th New Hampshire Police Academy. I am also a 2009 Graduate of Hesser College with an Associates Degree in Interior Design.
2. That, a person is guilty of Harassment and subject to prosecution where the communication was received if such person insults, taunts, or challenges another in a manner likely to provoke a violent or disorderly response.
3. That, a person is guilty of Criminal Defamation of Character if he purposely communicates to any person, orally or in writing, any information which he knows to be false and knows will tend to expose any other living person to public hatred, contempt or ridicule.
4. That, on April 30, 2012 I met with Michael Robillard. He explained to me that he runs a Life Coach business out of Londonderry to which he has a certification to do so and has been trying to promote said business via Craigslist, a public online internet forum.
5. That, shortly after Michael Robillard started posting advertisements for his business, a person, who was later found to be Robert Frese, [REDACTED] started attacking Michael Robillards character and the legitimacy of his business via Craigslist. Robert Frese, [REDACTED], is described as being 5'8", weighing 150lbs and having brown hair and brown eyes accoring to his Interstate Identification Index.
6. That, over thirty postings between 02/26/2012 and 05/02/2012 were posted on Craigslist, a public internet forum, by Robert Frese, [REDACTED] about Mike Robillard. Robert Frese, [REDACTED] was calling Mike Robillard a scam artist and claiming his business to be a scam, asking the general public if they had been molested, harassed or bothered by Mike Robillard, and claiming that Mike Robillard distributed heroine in 2009 and was charged with willful concealment in 2011, which is false information.
7. That, over the course of this time since 02/26/2012, Mike Robillard has contacted Robert Frese, [REDACTED] via e-mail asking Robert Frese, [REDACTED] to stop and explaining to Robert Frese, [REDACTED] that Mike Robillard's business is legitimate and if it continued he would contact the police.
8. That, on 04/25/2012 I requested Exeter NH Police Department to go to Robert Frese's, [REDACTED] house and ask him to stop posting illegitimate information about Mike Robillard on Craigslist.

Ref: 12-92-WA

- 9. That, on 05/02/2012, after Mike Robillard came to the Hudson NH Police Station again with more copies of postings, I called Robert Frese, [REDACTED], and spoke with him directly. Robert Frese, [REDACTED], admitted to posting the information he knew was false online about Mike Robillard and his business via Craigslist and said even though he knew Mike Robillard was certified, he was trying to make people aware of scams.
- 10. That, on 05/02/2012 after the time at which I spoke with Robert Frese, [REDACTED] he continued to put at least three more negative posts containing false information regarding Mike Robillard and his Life Coach business on Craigslist.
- 11. That, based on these facts and others known to me I am requesting an arrest warrant/complaint charging Robert Frese, [REDACTED], with Harassment, a class A Misdemeanor and Criminal Defamation of Character, a class B Misdemeanor.

On April 25, 2012 at approximately 1100 I responded to the lobby of the Hudson Police Department for a person reporting they were being harassed via the internet. Upon my arrival I was met by:

**Michael ROBILLARD**

[REDACTED]  
[REDACTED]  
[REDACTED]  
H: [REDACTED]  
C: [REDACTED]

ROBILLARD said he went onto craigslist.org to start promoting his business, Mike Robillard Life Coaching, that he started as an accompaniment to his mothers psychotherapy business. ROBILLARD said that after he posted, he started seeing that someone was posting negative things all over Craigslist about life coaching being a scam, and that his business was a scam.

ROBILLARD has come across 17 posts from 02/26/2012 through 04/24/2012, some about life coaching in general:

**"Please flag all these "life coach" postings as they are all crap, just some lowlife's trying to cash in on unsuspecting folks."**

**"Loser LIFECOACHES (Fantasyland)- Your own life is a mess, and you want to be paid to give me advice!!!! This whole genre of the Self Help world is such a farce!"**

**""Its tough exposing scams- But thats what we do, we expose scams. Notice how nobody sticks up for these scammers and have said that they have done business with them."**

**"Free "life coaching"- If you need "life coaching", you need to get a life"**

**"scammers are NOT victims- Its nice you think of yourself as a "victim" when your scam is exposed, but all you are is exposed!"**

**"Life coach is a make believe feel good title that any asswipe can call themselves, Im a life coach, Im also a financial advisor, send me all your money and Ill invest it for you. Keep drinking the Kool-Aid"**

And some directed at ROBILLARD personally:

**"Been molested by Mike Robillard? (Londonderry)- Has anyone been molested, bothered, or harassed by a a Mike Robillard in Londonderry?"**

**"molested by a Mike Robillard? (Londonderry)- Anyone been molested, harassed, or bothered by a Mike Robillard out of Londonderry?"**

**"hear about Mike Robillard? (NH) Involved in a "road rage" incident in 2007, distribution of heroine in 2009, charged with willful concealment in 2011, sounds like Mike needs a life coach"**

**"avoid the scam "life coach" ads (Londonderry)- This guy has multiple ads for life coach, weight loss, etc, just ignore this pathetic wannabe"**

**""FREE" ad is a scam (Londonderry)- This is the same guy out of Londonderry offering "life coach" and "weight loss" scams, he cant sell the scam so now its FREE!"**

**"Weight Loss Support Group (Londonderry) - Eat less and exercise, see I just saved you a whole lot of wasted money"**

**"weight loss scam (Londonderry)- Same guy, different day, same SCAM"**

**"life coach/ weight loss scam (Londonderry)- Same guy out of Londonderry, every day this guy has a new**

scam"

""life coach" scam (Londonderry)- If someone seriously thinks they need a "life coach", maybe they should first get a life"

"life coach/ weight loss SCAM (Londonderry)- Stay away from this pathetic over poster"

"weight loss/ life coach = SCAM (Londonderry)- All the same guy out of Londonderry"

ROBILLARD said he has no idea who the man is, however he was able to get his name from his excessive posting and found out his name was:

**Robert FRESE**

ROBILLARD explained that he contacted Exeter PD to see if they would go by and ask FRESE to stop posting things that are harming his ability to get his business going. Exeter PD told ROBILLARD that he should respond to the Hudson Police Department and if we call Exeter they will send someone over. ROBILLARD said he cannot think of any way FRESE would know him at all.

I told ROBILLARD that I would call Exeter PD and take a report for the incident. I gave ROBILLARD the report number and advised him to go to Nashua District Court and get a stalking order. I ended my contact with ROBILLARD. I called Exeter PD, advised them of the situation and asked them if they knew FRESE. The dispatcher said he is very well known in the town, to the people and to the officers. I asked the dispatcher if he could send someone to FRESE'S house and ask him to stop bothering ROBILLARD via the internet. Exeter said they would send someone out. The dispatcher also advised me to call Probation and Parole because FRESE is usually under probation.

I called Probation and Parole and spoke with:

**Jeff SHANAHANN**

who advised me FRESE is under his watch. I advised SHANAHANN of the situation and SHANAHANN stated that if we are doing a warrant for FRESE, to let SHANAHANN know and he would pick him up.

I received a call a short time later and was told OFFICER GAGNON responded to FRESE'S residence and was told FRESE only knew of ROBILLARD through seeing ads online but never contacted him or had contact with him. I requested to speak with OFFICER GAGNON. OFFICER GAGNON told me FRESE is very odd and there are constantly complaints about him. OFFICER GAGNON said he took a report and would send it to me when he was finished lunch.

I have not yet received the report from OFFICER GAGNON, and no stalking order paperwork has come in from the court on behalf of ROBILLARD. I called Exeter PD and they also have not received any stalking order paperwork. I recommend this case be suspended pending any further actions from FRESE.

On 04/30/2012 I responded to the lobby of the Hudson Police Department to meet with ROBILLARD. ROBILLARD had called me a short time earlier and explained that FRESE had not stopped posting things on Craigslist that are harming his business. I asked ROBILLARD to bring in the most recent posts.

I took the information from ROBILLARD and told him I would look into the situation further. ROBILLARD provided me with 11 new posts and said there were more he did not get a chance to print because he flagged them and Craigslist deleted them. ROBILLARD also provided me with e-mails ROBILLARD sent to FRESE asking him to stop, and FRESE responding to at least one, even though he advised Exeter PD that he had not spoken with ROBILLARD. I told ROBILLARD I will look into the case again and call him.

This case is re-open and under investigation.

On 05/02/2012 I called FRESE and spoke with him about his postings on Craigslist. FRESE said he posts to make people aware of scams on Craigslist so they do not get used by people trying to make money. FRESE said ROBILLARD seemed to be over posting on Craigslist and it seemed fishy to him. FRESE said he was posting ad's to make people aware of ROBILLARDS scam.

I explained to FRESE that ROBILLARDS business was legitimate and his postings are starting to get to the point of being harrasing. I told FRESE he had no right to post things that are completely false, like saying ROBILLARD distributed heroine in 2009 etc. FRESE said he only posted that because ROBILLARD posted that FRESE had a criminal history and what he did. I asked FRESE if ROBILLARD posted anything about FRESE that was false and FRESE said no. I told FRESE that his criminal record is public knowledge and ROBILLARD did nothing wrong. I also explained that ROBILLARD would not have even known FRESE or posted anything about him if FRESE was not attacking ROBILLARD and his business on the internet.

FRESE said he understood, but just wanted to make people aware of scams. I explained to FRESE that if his goal is to point out scams, he should confirm businesses being scams before he does it. I also told FRESE that Craigslist has a "Flag" button so that scams may be removed by Craigslist, and that it is unnecessary for FRESE to attack people personally with false information via the internet when he is unsure about things being false or not. FRESE said he searched Mike Robillard on the internet and just put in everything he found just incase it was the same guy. I told FRESE his intent was not that and I believed strongly that he knew it. I asked FRESE at this time to stop all communication about or with ROBILLARD and that I was looking into the question of if FRESE has crossed the line criminally. I told FRESE it was in his best interest to stop posting things directed at or about ROBILLARD now so he does not escalate the situation.

FRESE agreed to stop. I ended my contact with FRESE.

This case is still under investigation.

SUPPLEMENTAL NARRATIVE FOR PATROL LARISA J JOHNSON

Ref: 12-877-OF

Warrants for Criminal Defamation of Character and Harassment will be issued for FRESE.

This case is closed pending FRESE'S arrest.

Bob Frese,

I'm asking you nicely to stop posting on craigslist that I am a scammer. I am not. I am an honest NH Business, just because life coaching isn't for you, and you don't need to lose weight doesn't make it right for you to post these things. If these posts are not taken down promptly I will be contacting my local police and reporting you for harassment. In addition to this, I will be calling my attorney and filing charges for Defamation of Character and Being Liabile of a Business. As well as any other suggestions my lawyer my have for me.

Thank you,

Listen.

Life coaches are certified people who work to obtain that certification.

Not to mention most of them are also LISENCE professionals. Some people would rather see a LIFE COACH than a THERAPIST. I know you think your a hot shot for talking shit about people on craigslist. But get real buddy. Get a life.

And if is the same guy I spoke to before.. I will be contacting athorities for harrassment.

By the way,

Do you know who this person is? People don't come on here trying to portray themselves as a life coach if they infact aren't. People work for that title, and pretty hard. Who are you to call them a low life? Craigslist is a way for all of us to promote our small businesses.... I must ask the question though.. Do you know who you are? If not, I have a database of referrals for therapists I can give you.

Please let me know if you would like them.

A defamation of character suit is an umbrella term that involves various legal cases. These can include libel, which involves published or written derogatory remarks. This can also include slander, which involves spoken comments. Defamation can be difficult to prove in court, because the burden of proof that the spoken or written word has caused damages lies with the plaintiff. You will also face various defense techniques. Therefore, you will have to have a strong case.

Here are a few tips in proving a defamation of character claim.

Prove that the statement is false. The first thing you need to do is prove that the defending party has issued a false statement. This can either be published—for example on a magazine or newspaper, or through online means, in websites, blogs, and even email. To prove defamation, you will need to show that a

party has uttered a supposedly factual statement concerning you, but that particular piece of information is not true, or is not privileged information.

Prove that the statement was shared or published. Next, you will need to prove that the damaging statements made were shared with a third party. This can be anyone, including the public, a group of people, or any third party that might have been affected by the statement. You will also need to prove that these statements are understood to have referred to you.

If you are a public figure, such as a government official (or sometimes a celebrity), you would usually expect opinions and accusations hurled against you. In a defamation case, you will have to prove that these are made in a malicious context.

Show evidence that the statements caused damage or harm. Next, it's not enough to prove the statement is false, and was knowingly said with you in mind. You will also need to show evidence that the statements made by the defendant have caused you actual harm. This can include different types of harm. You can show evidence that the statements caused you ridicule, contempt, hatred, or injury in your occupation. This can also include losses in your job or business because of the attack on your reputation.

Know about possible defenses. Lawyers of defendants in a defamation suit will usually utilize several defenses to your accusation. For one, the biggest defense against defamation is truth. If the

statement made about you were true, then this would be to the advantage of the defendant. Secondly, privileged information—like those said in the context of a court trial—are also protected from these claims. Third, if the statement were innocently shared or uttered without malice, and if you had consented to the information or statement in the first place, might put your case at risk of losing.

Laws might vary depending on your state and jurisdiction. It's always best to consult with a lawyer with knowledge in defamation proceedings before you decide to make a claim. You will need to have a strong case, and you will need to show both proof and evidence that the statements were made in malice, and that these have caused you actual harm.
