MO: Subject standing along off ramp receiving items from passing vehicles obstructing traffic.

Disorderly Conduct RSA 644:2 (V)

On 12-1-15 I was assigned to the Community Policing Division operating a fully marked cruiser and wearing a police mountain bike uniform. At approximately 1130 hours I began paying special attention to the area of Interstate 293 and South Willow St. There have been several subjects standing at each corner for the last several weeks collecting money and items from passing vehicles. When I arrived I observed a female standing on the east side of South Willow St at the west bound off ramp. She was holding a sign which stated she was homeless and asking for help. She was later identified as:

Candace Neal [REDACTED]

Shortly after arriving I observed the traffic turning south onto South Willow St from 293 begin to move as the light had turned green. The second vehicle in line in the lane closest to Neal moved forward but then stopped to pass something to Neal. This sudden stop caused approximately the next four vehicles in line to stop unexpectedly and wait for the second vehicle to begin moving again. Neal reached out to the stopped vehicle and took something.

Once the traffic was clear I made contact with Neal and explained that her actions had caused the traffic to be disrupted and issued her a white summons for Disorderly Conduct (V).

Mo: Woman obstructs the flow of traffic on off ramp turning on to S Willow St

On 12-05-2015 Officer Ed Devereaux and I (Ofc Ju Maguire) were working in a plain clothes operation. We were watching the area of the Mall of New Hampshire for illegal activity. We were both wearing undercover clothes with our police issued badges affixed around our neck. We were in a Manchester Police unmarked cruiser which had police lights, sirens, and radio. Officer Devereaux and I set up and started to watch a woman panhandle for money on the off ramp eastbound onto S Willow St. (exit 1) She was standing on the sidewalk and holding a cardboard sign facing traffic as they approached her. As we continued to watch, the red light turned green for all the traffic to move onto S Willow St and head north. As several cars went through the green light a vehicle then stopped in the far left hand lane. The person handed something to this woman and the woman took it. As this took place all the vehicle traffic behind her had to stop and could not proceed through the green light. As the vehicle pulled away several other vehicles were able to make the green light, but some missed the light cycle due to having to wait for the woman to retrieve the item.

Officer Devereaux and I made our way over to her on foot and she was identified as:

I asked her what she was doing? She stated that she was asking for money and had just got some. I explained to her that it was her right to ask for money from people and her right to do so, but when in doing so it obstructs the flow of traffic this becomes disorderly conduct. She stated that she had just got a ticket the other day from the same thing but she needed money. I again tried to explain to her that if she obstructs the flow of traffic it is disorderly conduct and if she continues to obstruct the flow of traffic in the city, she will continue to be summoned to court for disorderly conduct. She was issued a white summons to appear at Manchester District Court on 01-12-2016 at 0815 hours. I gave her the pink copy and we left the area. Nothing further.

MO: Subject issued a white summons for Disorderly Conduct for obstructing traffic on the I-293 off ramp.

RSA: Disorderly Conduct, 644:2 (V)

On 12-06-15, at approximately 1600 hrs, I (Officer Karoul) was riding as a two man unit with Officer Rondeau in a plain clothes capacity in an unmarked vehicle. We were paying special attention to the area of S. Willow St near the mall during the busy holiday shopping season. We then observed a male subject standing on the I-293 westbound off ramp onto S. Willow St holding a cardboard sign soliciting money from passing vehicles. The male's back was towards the traffic light and he was facing approaching traffic, holding the sign in attempt to obtain the drivers attention. After several light cycles, we then noticed that the light cycle turned green and the long line of vehicular traffic proceeded westbound onto S. Willow St. A white SUV then stopped in the roadway while the light cycle was green, and handed the male, who was subsequently identified as

Tilton, John
[REDACTED]

what appeared to be money. This caused all the vehicles traveling behind this stopped vehicle to come to a complete stop during the green light cycle. After handing Tilton the money, the vehicle proceeded and several of the vehicles following then became stuck at the traffic light that cycled to red.

At this point, we approached Tilton and identified ourselves as Manchester Police Officers, while displaying our badge. We informed Tilton that he would be issued a white summons to appear in court for Disorderly Conduct (V) for

obstructing vehicular traffic. Tilton stated that he didn't think he did anything wrong. I then explained to Tilton that he was allowed to panhandle and that it was his constitutional right to do so. However, I advised Tilton that he was not allowed to commit other violations such as obstructing vehicular traffic. I then issued Tilton a white summons to appear in Manchester District Court, 9th Circuit on January 23, 2016 for one count of Disorderly Conduct (V), 644:2 at 0815 hrs. I also provided Tilton with information on services that were available to her and where he could seek help as well.

Mo: Male obstructs vehicle traffic while reaching for items being handed him from the moving vehicles.

On 12-06-2015 myself and Officer T. Battistelli were in plain clothes working in the southend of the city. We were both equipped with the proper equipment needed in our daily functions as police officers. We were in a department issued undercover police car equipped with lights, siren, and radio. As we were traveling in the southend we were down to a male that was on the side of the exit ramp from Rt 293 near S Willow St. (exit 1) He was holding a sign and facing the vehicles coming up the ramp and stopping at the red light to go north and south on S Willow St. We pulled over and watched the actions of this male. It was approximately 1100 hours and the traffic was fairly heavy at this time as vehicles were coming and going from the Mall of New Hampshire. We watched the light for traffic to turn onto S Willow St turn green. As the vehicles went through the green light a tan vehicle, several cars back, stopped and handed an item to the male. This caused all the vehicles trying to make their way onto S Willow St have to stop. The male reached over and took this item. The vehicle then made the green light and some of the other vehicles behind it, were not able to make the green light cycle before it turned red again. This was caused by the male holding the sign, which made the vehicle stop to hand him an item and all the traffic behind it had to stop.

Officer Battistelli and I made our way over to the male and identified him as:

Escobar, John [REDACTED]

I had warned Escobar about obstructing the flow of traffic a week prior and told him that if he did it again he would be

getting a summons. I again explained to Escobar that it was his right to hold a sign and ask people for money, but when he causes people to stop and obstruct traffic this becomes disorderly conduct. He stated," I needed money what else am I supposed to do?" I tried to give him several other ways to obtain money and he did not want to hear it. I issued him a white summons with a court date of 01-12-2016 for RSA 644:2 Disorderly conduct (v) at Manchester District Court for obstructing the flow of traffic. Escobar was very argumentative and got on his bike and pedaled north on S Willow St. Nothing further.
